

DUTIES OF CHAPTER TREASURERS

Responsibilities

1. Keep accurate and detailed information of all income and expenses for your chapter. It is suggested that a spreadsheet or handwritten document be used for this detailed record of funds in addition to the checkbook.
2. All transactions in the chapter's checkbook should be recorded in a timely manner with the balance recorded. It should show that it was balanced with the bank on a monthly basis.
3. Give a financial report at every meeting that details expenses and income then the balance of funds since the chapter's last meeting.
4. Keep accurate accounting of the dues paid by each member.
5. Be able to look back in previous transactions to see when an individual member last paid their dues, when a particular bill was paid, etc.
6. It is the responsibility of the chapter treasurer to maintain an accurate membership roster. This involves turning in the names, information, and dues of new members as well as updating the entire roster and turning in state dues in the fall of the year.
7. **Suggestion:** Have the President and 1 more unrelated person audit all transactions at the end of the year.

Outgoing Treasurer

1. Balance the checkbook with the bank at the end of Dec. or first of Jan.
2. Meet with new treasurer and explain procedures.
3. Discuss if the bank will remain the same or if you will be transferring to another bank. Go with the new treasurer to the bank to sign the account. *Note:* It's best to have two signatures/people that have access to the account. Preferably it would be treasurer and president but if they are related then it should be someone different.
4. Give a copy of your club's roster to the new treasurer.
5. Explain procedures for maintaining the chapter's roster and reporting changes and yearly updates to the state treasurer.
