We. The Officers, Staff, and Members of the Kansas Good Sam Club wish to express our appreciation to those businesses and chapters who have so generously supplied us with cash, gift cards and other door prizes. These all help us with our fund-raising activities so all who attend our Kansas Rally can have a good time. Several businesses have commented about this when approached about gift certificates. Plus, we are told constantly how the local restaurants appreciate us. They say we seem to be having so much fun they can hardly wait to join us.

We hope you have enjoyed your stay here as much as we have enjoyed having you. We pray for safe travels to your next destination and look forward to seeing many of you on the South Region Circuit.
