

## **NINNESCAH GOOD SAMs**

Susan Grimes

Our second half of the camping season found us at Spring Lake Resort for their "Christmas in July" celebration. Even though the number of our club members are dwindling, we still have fun and good times when we meet. Our non-camping members still manage to drive to our campouts to enjoy a day with the club.

August took us to Anthony Lake for our weekend campout. We enjoyed breakfast on Friday provided by our hosts and our usual Friday evening potluck dinner. Our mornings are filled with visiting and our afternoons are dedicated to playing cards. The men play "Pitch" and the women play "Hand and Foot". On Saturday evening we went to Harper and ate at the La Fugata Mexican restaurant for really good Mexican food.

Our September campout was held at the Argonia River Park. As all of our members had hosted a campout already, the officers of the club hosted this campout. Friday evening was our usual potluck supper, but rather than drive nine miles to eat out on Saturday evening, the officers grilled brats, hot dogs and hamburgers for everyone. The members brought side dishes to enjoy.

Our October campout was canceled because of health issues with several of our campers. This campout would have been held at Oxford's Napawalla Park.

For our November gathering, we met at Carriage Crossing and enjoyed their delicious food. After lunch we moved upstairs to their meeting room for our club meeting and some card playing.

In December, we met at Jeri's restaurant in Kingman and remained in their backroom for our meeting and card playing. We finalized our camping schedule for 2020. Listed below is our camping dates and locations. We would welcome any other Good Sam club members to come and join us. The more, the merrier!

### **2020 Camping Schedule**

April 29 – May 2

Area 4 Rally, Winfield, KS

May 14-16

Oxford Napawalla Park, Oxford, KS

June 25-27
