

May 11, 2020

.. Not much going on with KMS these days. I hope that everyone is safe and DOING EVERYTHING that you can and should too keep Well.

. All that I wish to say for the most part is that KMS needs members.

. Military Members; I know from past State GS meetings that when I have asked for a HAND SHOWING OF MILITARY VETERANS. There are always far more hands go up then

We have KMS members.; I know that KMS do not do much. Other than carry in our flags at our GS State meetings.

. I just want all of our GS military veterans to be proud of having served. Remember you do not have to be 1. Retired Vet. 2. Have served in combat. 3. Only served in National Guard or Reserve.

. If you have served this great country in any way, you are a MILITARY VETERAN. Never forget this. --- Remember this; Of all Americans now alive that are or were eligible to serve.; Only

[0.06% ], Ever stepped forward to serve this Great country. ---- IF YOU WERE ONE OF THOSE AT OUR GS STATE MEEING THAT RAISED YOUR HAND., You are among that 0.06% that

Have defended this great Country , AMERICA.

. In closing; Correct; We in KMS do not do much.

. But let all of our GS members , who have raised their hand in defense of this great Country. Stand proud enough to say. Yes I wish to be with those [0.06%] who have served.
