

TO: KANSAS GOOD SAM MEMBERS AT LARGE

The Kansas Good Sam Club invites all National Good Sam Members to join us in the fun and advantages of becoming Kansas State Good Sam members. There are over 8,000 National Good Sam members in Kansas; however, we are saddened by the fact that only a small percentage actually get the most out of their national membership, because they are not members of the Kansas Good Sams and a local chapter.

The Kansas Director is inviting you to join Kansas Good Sams by paying your state dues of \$10.00 per rig. The money is used to help pay for publishing the newspaper that you receive in January and July of each year. You may, if you wish, remain a member at large with no responsibilities other than paying your national and state dues. However, to receive the greatest benefit from Good Sam membership, we invite you to join a local chapter. We have 26 chapters meeting monthly and having a grand time at the local campgrounds. Your State Director can direct you to the closest chapter and person to contact. Please complete the application below and return it to the Kansas Good Sam State Treasurer.
